4.62 Acres - Glebe

Lincoln Lane |

Middle Rasen, Market Rasen | LN8 3RZ

Offers Over £640,000

A Detached Farmhouse set in Grounds of 4.62 Acres, complete with an Old Barn, Modern Barn/General Purpose Building and a Detached Bungalow/Annexe. The Farmhouse has Four Bedrooms currently, however there is Planning Permission to link the two properties. (West Lindsey Planning No: 131028). Situated on the fringe of Middle Rasen which has a Primary School, shop and pub with a wider selection of shopping and leisure facilities in Market Rasen or Lincoln.

Currently run as a Five Star Rated Dog Boarding Kennels the property also benefits from an extensive range of Outbuildings comprising Modern Barn/General Purpose Building with Integral Kennels, a range of additional Kennels together with a Static Caravan, Office, there is range of Traditional Brick and Tile Barn and covered area which could potentially be developed (subject to necessary permissions). The possibilities and scope here are enormous, or you could just enjoy the property as it is currently set up.

The Farmhouse is a more traditional home, whilst the Bungalow/Annexe is modern in design and ideal for a family member, airbnb or with the approved option to link the two properties together.

- Detached Farmhouse in 4.62 Acres
- Existing 5* Dog Kennel
- Brick Built Barn
- Enormous Business Potential
- Detached Bungalow/Annexe
- Range of Outbuildings
- House with Four Bedrooms
- Approval to Link the Two Properties.

Kennel Business

If so desired the property is offered for sale as a going concern. The existing business is a well established boarding kennels and enjoys excellent reviews from the current client base. The client book is included in the sale, if required. The owners have confirmed that the Local Authority license could be easily renewed by new owners/operators. (current website: Lincspets.co.uk)

Garden

To the rear and side of the property is a low maintenance garden area providing plants and shrubs, a veranda and paved patio, garden shed, outside tap and securely fenced boundaries.

Outside

There is an extensive range of buildings predominantly being used in conjunction with the existing boarding kennel business, albeit offering considerable flexibility and potential for alternative use subject to the necessary planning consents. Lying in close proximity to the residential dwellings and occupying an area of approximately 1.83 Acres the buildings comprise:-

General Purpose Building

42'10" x 64'1" (13.08m x 19.54m)

A three bay, steel framed construction clear span building with pitched metal sheet roof and mixed material cladding to elevations. Part concrete block dwarf walls, sand floor and pedestrian door access. Architect feasibility is ongoing to investigate and obtain planning consent for a residential conversion.

Static Caravan - 'Brookwood Bluebird'

A six-berth static caravan adapted for use as dog kennels food preparation area, laundry and utility accommodation.

Traditional Buildings

A range of traditional brick and pantile buildings with former barn accommodation, having loft space and adjoining former livestock boxes, with concrete floors.

There is a further adjoining covered storage area with monopitch steel sheet roof and timber pole uprights with part block walls providing additional shelter.

Architect feasibility is ongoing to investigate planning consent for residential conversion.

General Purpose Building

55'5" x 60'1" (16.90m x 18.32m)

With lean-to, four bay steel framed construction with a/c corrugated pitched sheet roof and part corrugated tin/steel profile sheet cladding to sides, part block dwarf walls and concrete floors incorporating twelve integral kennels plus indoor exercise area. The kennels are block and brick built with heating/lighting and fully compliant with current licence conditions.

There are a further six, insulated composite kennels of panel construction with attached metal framed runs on a concrete base.

In addition, there is a small timber panel construction shelter leading to the paddock lying to the south of the main yard and being about 2.79 Acres.

Mains electric and water is laid on to the yard and buildings and there is an independent septic tank.

Shop/Reception Building

12'11" x 11'5" (3.96 x 3.48)

With timber panel cladding, sat on a concrete base with profile sheet monopitch roof and with pedestrian door to the front elevation.

Paddock

The afore mentioned paddock comprises a well established grass ley and benefits from a combination of hedgerow/ and fully fenced boundaries.
