A Detached Former Farm House in a good sized plot of just over 1/3rd of an acre, with the potential of a building plot to rear (subject to planning), which could be perfect for anyone looking to have their parents live closeby. There are a fantastic range of outbuildings including two garages, four car ports for cars or large multi-purpose vehicles, plus plenty of parking. There's also an artist studio and large office/showroom, the latter would suit anyone wanting to work from home or could be converted into further accommodation, subject to permissions. Bigby is one of four Thankful Villages, so called because it lost no men in World War 1 and it dates back to Domesday times, recorded as Bechebi.

This well loved former farmhouse has been in the care of it's current custodians for many years, they have carried out much work during their ownership and this home now offers accommodation comprising: Entrance Hall, Living Room with Inglenook and Multi Fuel Burner, Dining/Family Room with Multi Fuel Burner, Kitchen/Breakfast Room, Office, Utility Room, Cloakroom and Wet Room. On the First Floor there are Three Bedrooms and a Re-fitted Shower Room. It is heated by an Oil Fired system, whilst made more efficient by 15 high capacity solar panels with two storage batteries and with uPVC double glazing.
