## OUTBUILDINGS

Flintwood Farm offers a range of useful buildings benefiting from a range of uses.

### Main Building – Mixed Use – approx. 457m<sup>2</sup> (4920 ft<sup>2</sup>)

Located centrally in the yard area the main building benefits from permission for mixed use being; agricultural storage area and laundry room, in addition to educational area and 2 no. classrooms and a lounge.

The building benefits from both water and electricity connections and is constructed of part block and brick with wooden panel cladding and sheet metal roof.

### Workshop – approx.125m<sup>2</sup> (1340 ft<sup>2</sup>)

Part brick, part wooden panelled walls with corrugated tin sheet roofing and concrete floor. The building is also fitted with uPVC windows, pedestrian doors and vehicular access. Main power is also collected to the workshop.

### Livestock Building – approx. 278m<sup>2</sup> (2990 ft<sup>2</sup>)

This timber framed building has recently undergone a scheme of improvements, funded by grant aid (FiPL), to create 7 individual block construction loose boxes/stables and concrete flooring. Corrugated sheet cladding to the roof and 3 sides, with open front, lean-to (approx. 75m<sup>2</sup>) and several barrier and 5-bar gates.

## LAND

The land predominantly Permanent Pasture and extends to approximately 59.57 hectares (147 acres). It is classified as being predominantly Grade III Agricultural Land Classification Maps as historically published by the Ministry of Agriculture, Fisheries and Food. The land is generally free draining. There are some land drains in places.

The soils are identified by the Soil Survey of England and Wales as being from the Wickham 2 association which are described as slowly permeable seasonally wet slightly acid but base-rich loamy and clayey soils. Over much of this association the land is used for and grassland, leys and some cereals. All of the land lies within a Nitrate Vulnerable Zone.

In addition to the grassland, Flintwood Farm also benefits from a range of lakes and wetland scrapes.

## COUNTRYSIDE STEWARDSHIP SCHEME

The farm is entered into an Entry Level/Higher Level Countryside Stewardship (CS) Agreement which has been extended. The current Agreement has a start date of 01/10/2012 and an end date of 30/09/2028 and generates in the region of £14,000 per annum. Details of the Agreement can be provided upon request by the Joint Selling Agents.

Also in place is a CS Capital Grant agreement expiring on 30/09/2026. This standalone Capital Grant is for a total of 6440 meters of 'sheep netting' fencing (FG2) to enclose the principal grass fields.

## GRANT SCHEME – Farming in Protected Landscapes (FiPL)

The 'Livestock Building' as referred to in these Particulars of Sale is the subject of a diversification project funded by Lincolnshire County Council via the FiPL scheme. The capital infrastructure works relating to building conversion for a rare breed housing facility must be maintained for 5-years from completion (April 2023).
